**1) Additional Company Files**

An Additional Company is defined as one that must have:

- a. The software must be installed on the same Server as the original company
- b. The company ownership must be identical to the original company
- c. Pricing is 50% of the original price (for the Company file, Additional Users and Maintenance / Support plans)

**2) Software Rental**

Software Rental is for a minimum period of 36 months and includes the supply of all software, software updates and upgrades and 0800 telephone support available from Infusion seven days a week 7am to 7pm.

**3) Software Maintenance**

Infusion Elite, Professional, Service Manage Pro and Lite include a compulsory monthly Software Maintenance Plan fee. The Software Maintenance Plan fee includes the supply of all software updates and upgrades. It does not include telephone or onsite support from Infusion.

**4) 0900 Telephone Support**

This service has been introduced to provide support for End Users who do not wish to take up a support contract. These charges have been set at \$2.95 per minute plus GST. This service is also available for those requiring support for NZAGold and Aurora One.

**5) All prices exclude GST**

**6) Educational and NPO pricing is available on request**

**7) Infusion software is only available for sale through the Certified Partner network**
