

Head Office

Infusion Head Office, consolidates multiple Infusion data files and produces consolidated financial reports.

Infusion Head Office:

- ⚡ allows consolidation of multiple infusion data files into one system
- ⚡ enables financials from local data files or data backups to be imported into the one head office file
- ⚡ accounts may be consolidated together or kept separately for branch reporting
- ⚡ tracks the previous transactions imported enabling only the new transactions to be imported
- ⚡ original transactions remain in the source data file

\$495+GST
